Attendance

- Students are expected to achieve a 90% attendance record for each class.
- Year 11 & 12 VCE VM Students are on campus at Bayside Christian College on Monday, Tuesday and Thursday. They are required to enrol in a VET course and engage in suitable work placement for Wednesday and Friday.
- They can also enroll in a school based apprenticeship working two days a week and completing Tafe in blocks with RTO's.

Core subjects

- English
- Maths
- Science
- SIS (Sport)
- Bible

Electives

- 2 Electives per semester

VM

- Personal Development Skills
- Work Related Skills
- Industry Skills

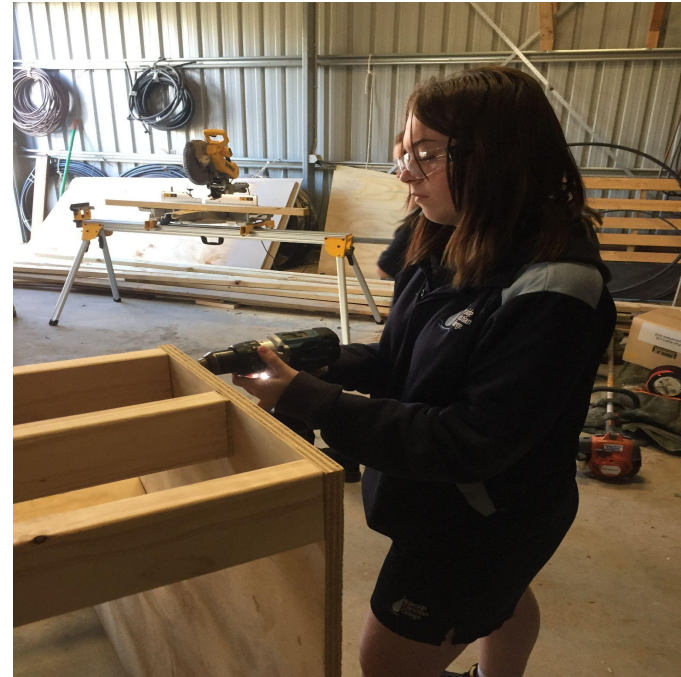

Personal Development Skills

- Teamwork and communication focus to help develop workplace skills and experience
- Run Compassion community market stalls in groups
- Coordinate workshops for own class and other year levels
- Leadership initiatives and opportunities to serve the school community

Work Related Skills

- Students complete individual and group work tasks with a strong focus on safety in the workplace
- Complete safe at work posters
- Create and film “don’t be afraid to speak up” video tutorials
- Train each other in the correct use of personal protective equipment
- Audit resource and technology use in the school setting
- Put theoretical skills into practice during Industry Skills classes

Industry Skills

Students volunteer in various parts of the school including:

- Primary PE with Zacc Klan
- Garden maintenance & construction with Justin Mason and Ben Kelly
- ELC with Fiona Mitchell
- Primary education support (various teachers)

VCE Vocational Major (Year 11 & 12)

- Students work towards a range of qualifications
- Applied learning principles are used throughout the course
- Preparation for apprenticeships, workplace or TAFE
- All subjects are taught from a Christian perspective

Students graduate with:

- VCE Vocational Specialisation
- Certificate II in Active Volunteering
- Certificate II or III VET (students choice)
- Level 1 First Aid Certificate
- Safe Handling of food certificate

Students in Year 11 VCE VM complete the following subjects:

- Personal Development Skills
- Work Related Skills
- Literacy
- Numeracy
- Certificate II in Active Volunteering

Personal Development Skills

Unit 1 Healthy individuals

Area of study 1 - Personal identity and emotional intelligence

Area of study 2 - Community health and wellbeing

Area of study 3 - Promoting a healthy life

Unit 2 Connecting with community

Area of study 1 - What is community

Area of study 2 - Community cohesion

Area of study 3 - Engaging and supporting community

Work Related Skills

Unit 1 Careers and learning for the future

Area of study 1 - Future careers

Area of study 2 - Presentation of career and educational goals

Unit 2 Workplace skills and capabilities

Area of study 1 - Skills and capabilities for employment and further education

Area of study 2 - Transferable skills and capabilities

Literacy Unit 1 & 2

Unit 1

Area of study 1 - Literacy for personal use

Area of study 2 - Understanding and creating digital texts

Unit 2

Area of study 1 - Understanding issues and voices

Area of study 2 - Responding to opinions

Numeracy Unit 1 & 2

Unit 1

Area of study 1 - Number

Area of study 2 - Shape

Area of study 3 - Quantity and measures

Area of study 4 - Math relationships

Unit 2

Area of study 1 - Dimension and direction

Area of study 2 - Data

Area of study 3 - Uncertainty

Area of study 4 - Systematics

Certificate II in Active Volunteering

This VET qualification covers the following topics:

- Participate in workplace health and safety
- Communication in the workplace
- Work with diverse people
- Be an effective volunteer
- Provide first aid
- Interact effectively with others at work
- Use strategies to respond to routine workplace problems
- Includes a minimum of 20 hours of volunteer work (Pantry Plus program)

Students in Year 12 VCE VM complete the following subjects:

- Personal Development Skills
- Work Related Skills
- Literacy
- Numeracy
- Food for Life (Healthy cooking skills with Mrs Sonja Campbell)
- Industry (running the school Cafe or construction)

Personal Development Skills

Unit 3 Leadership and teamwork

Area of study 1 - Social awareness and interpersonal skills

Area of study 2 - Effective leadership

Area of study 3 - Effective teamwork

Unit 4 Community Project

Area of study 1 - Planning a community project

Area of study 2 - Implementing a community project

Area of study 3 - Evaluating a community project

Work Related Skills

Unit 3 Industrial relations, workplace environment and practice

Area of study 1 - Workplace wellbeing and personal accountability

Area of study 2 - Workplace responsibilities and rights

Area of study 3 - Communication and collaboration

Unit 4 Portfolio preparation and presentation

Area of study 1 - Portfolio development

Area of study 2 - Portfolio presentation

Literacy Unit 3 & 4

Unit 3

Area of study 1 - Accessing and understanding informational, organisational and procedural texts

Area of study 2 - Creating and responding to informational, organisational and procedural texts

Unit 4

Area of study 1 - Understanding and engaging with literacy for advocacy

Area of study 2 - Speaking to advise or to advocate

Numeracy Unit 3 & 4

Unit 1

Area of study 1 - Number

Area of study 2 - Shape

Area of study 3 - Quantity and measures

Area of study 4 - Math relationships

Unit 2

Area of study 1 - Dimension and direction

Area of study 2 - Data

Area of study 3 - Uncertainty

Area of study 4 - Systematics

Students volunteer and hone their skills in either of the following:

- Run the North Campus Cafe each Thursday (recess and lunch) under the expert guidance of Ulli Austermann. Tasks include food serving, POS and Barista services.
- Work with Justin Mason and Ben Kelly on a range of construction projects including the new Table Tennis table, Oversized Chess storage rack and new Rabbit hutches for the Agriculture program.

Food for Life

Healthy eating options created with Sonja Campbell:

- Meat and plant based main meals
 - Food for energy and nutritional value
 - Cooking for individual and family portions
 - Range of cooking techniques are practiced
- using the TSC Industrial kitchen

Community Partnerships

Reclaimed.

Developing VM Personal Development & Industry Skills

Global Citizens

- Much of our recycling is currently being sent overseas and many countries are starting to ban imports.
- We help our students to understand their place in the world and responsibilities they have.

I showed the Year 12 class a Bible Project video on Justice to help them to link our waste to God's word. They eventually got there :)

Reclaimed♻️

Curriculum links

VCE VM Personal Development Skills

Unit 1 - Healthy Individuals

Unit 2 - Connecting with Community

Unit 3 - Leadership and Teamwork

Unit 4 - Community Project

Reclaimed has the ability to connect with Literacy, Numeracy, Industry and Work Related Skills and lends itself to integrated projects covering a wide range of learning outcomes.

Reclaimed perfectly matches the competency based approach of the new VPC for STEP in the future.

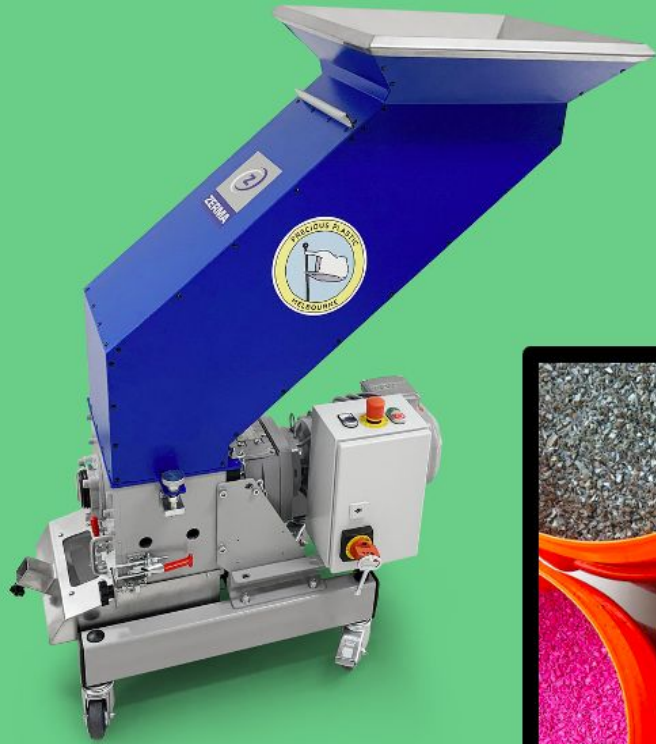

VPC Personal Development Skills

Unit 1 - Understanding and developing self

Unit 2 - Connecting with and participating in community

Our Granulator

Turns Number 2 & 4 lids into meltable grains, which must be carefully sorted into plastic types and colours. (*Cafe)

Reclaimed 

Phase One 2023

- Collection
- Colour Sort
- Granulate
- Storage

Reclaimed

Benchtop Extruder

Phase Two 2024

- Extruder Purchase
- Cast Moulds
- Tools, gloves etc.
- Manufacturing
- Sales

Future Manufactured Items

Reclaimed. 

How to get on board....

- 2 & 4 - lids only
- The more the merrier :)
- They must be washed and dry

Collection locations

- TSC Kitchen / Cafe
- N Block Kitchen
- G Block Kitchen
- A Block Kitchen
- ELC
- Food Tech Room (D3)

Careers / VET & Workplace Learning Coordinator

Michelle Smith

- Student career discussions (ongoing)
- Subject & pathway changes
- VET enrolments for years 11/12
- Work Placements (including Work Experience)
- Year 12 VTAC Applications
- Transition from school to work

What is VET?

- “VET” is Vocational Education and Training
- Program that equips individuals with practical skills and knowledge required for vocation.
- Certificate II or III qualification students can undertake whilst completing their Senior School Certificate.
- 180 Nominal Hours needed to obtain the required credits toward VCE or VCE-VM Certificate.

Vocational Education & Training (VET)

- Usually undertaken over a two year period.
- VET Courses are available in different industries; Agriculture/Horticulture, Animal Care, Automotive, Building and Construction, Business, CISCO, Community Services, Creative and Digital Media, Dance, Electrical, Equine Studies, Fashion, Hair and Beauty, Health, Hospitality, ICT, Music, Plumbing, Sport & Recreation and Visual Art.

VET in VCE-VM Pathway

- VET is a required component of the VCE-VM Pathway.
- All students enrolled in the VCE-VM Certificate must be enrolled in an approved VET Program.
- VCE-VM students attend VET course on Wednesday or Friday
- VCE-VM students have access more VET programs

VET in VCE Pathway

- VET is an optional component of the VCE Pathway.
- A VET course can be completed in place of a VCE subject.
- The VET course must have a Unit 3&4 sequence for it to contribute to the VCE Certificate.

Some things to consider:

- Students may need to miss some of their scheduled VCE classes.
- Dedication and commitment required to keep up to date in any missed VCE classes
- Some programs have classes outside of school hours - EG: VETA Morphus, Equine Studies - and will be a better fit for the VCE Certificate.

VET - Scored or Unscored

Scored VET programs can contribute directly as one of the main four VCE Subjects - Exam requirement.

Scored VET provides a study score that will contribute to the ATAR

Unscored VET programs can still contribute but only as a 5th or 6th Subject as a percentage increment.

Costs

All VET Courses incur additional costs to school fees.

VET costs are paid by parents.

These costs vary depending upon the course undertaken.

VET Commitment

Attendance is a priority. Many VET courses have practical skills that need to be demonstrated in the weekly classes. Any classes missed may mean that you may not complete the required Units of Competency required for a satisfactory result.

Transport to and from VET classes is the responsibility of the student/family and should be factored into the decision to undertake a VET course.

Trade Skills Centre - VET courses

Certificate II in Kitchen Operations

Certificate II in Agriculture
